

# PET COOLING RELIEF TOWEL

*Cooling relief for those dog dayz of summer!*

## FEATURES

### FAST COOLING

The Cooling Towel's absorbent material keeps water in and accelerates the cooling process.

### LONG LASTING

With high water retention, the Cooling Towel stays cool and wet for hours.

### REUSABLE

When done using, put the Cooling Towel back in its Reusable Plastic Bag.

### EASY TO USE

Anytime you need to use the Cooling Towel, simply wet it, wring it out and apply to cool down your dog.

The Dog Dayz™ Cooling Relief Towel is treated to prevent the growth of mildew and harmful odors. To clean, machine or hand wash.

“Cooling relief for those **dog dayz** of summer!”
