⚠️ **WARNING:** This product can expose you to chemicals including Chromium (hexavalent compounds) which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.

DESCRIPTION:

Deerskin is a soft, supple, and luxurious hide. It offers excellent dexterity, durability, comfort, and high tensile strength. This premium, grain, deerskin glove features a Thinsulate® lining, the warmest thin liner on the market. The premium-grade leather comes from side or shoulder area of the animal hide and from areas higher on the animal that receive the least amount of movement, which makes the leather more durable.
