

Customers always come first.

Our mission is to help keep people safe at work and at home by supplying core personal protective equipment they can trust. We do this by ensuring our customers always come first when providing the safety solutions they need.

Obstacles are opportunities.

When we face challenges, we find creative, goal-oriented solutions to overcome them.

Respect nurtures relationships.

We are always respectful to our internal and external customers and strive to create a positive, nurturing business environment built on knowledge, experience, communication and trust.

Diversity makes us better.

As we attract, select and retain high-caliber talent, we value diversity and believe fully that it makes us a better organization and business.

Outstanding service is built-in.

To build lasting relationships, we do everything possible to ensure our customers are provided what they need, when they need it, and how they expect it.

Value is built resourcefully.

We practice resourceful sourcing to discover the best value for our customers and our business.

Accountability promotes improvement.

We hold ourselves accountable to achieving high outstanding customer service and seek continuously to improve our products and processes.
